Lupaka Gold Corp.
(the "Company")

I. Scope of the Whistleblower Policy

The Audit Committee (the "**Audit Committee**") of the Board of Directors of the Company is responsible under Canadian securities laws for the integrity of the financial reporting of the Company and for the system of internal controls, the audit process and monitoring compliance with the financial reporting laws applicable to the Company and to all other companies, trusts, partnerships or other entities which may be established by the Company (the "**Other Entities**"). The integrity of the financial information of the Company is of paramount importance to the Committee and to the Board of Directors.

National Instrument 52-110 ("**NI 52-110**") has outlined certain aspects of audit committee responsibility and the Audit Committee understands the importance of the responsibilities described in NI 52-110 and intends to be in compliance with such responsibilities. One such responsibility relates to the implementation of procedures for addressing complaints regarding questionable accounting or auditing matters.

This document outlines the procedure which the Committee is establishing for the confidential, anonymous submission by employees, consultants and contractors of the Company and the Other Entities of any concerns which applicable individuals may have regarding questionable accounting or auditing matters or other matters.

Applicable individuals are encouraged to submit all good faith concerns and complaints in respect of the accuracy and integrity of the Company's accounting, auditing and financial reporting, as well as other matters, without fear of retaliation of any kind. If an applicable individual has any concerns about accounting, audit, internal controls or financial reporting matters or other matters which he or she considers to be questionable, incorrect, misleading or fraudulent, the applicable individual is urged to come forward with any such information, complaints or concerns, without regard to the position of the person or persons responsible for the subject matter of the relevant complaint or concern.

The applicable individual may report the matter to the appropriate supervisor or, alternatively, to the Chairman of the Audit Committee.

II. Procedure for Reporting Concerns

The applicable individual should describe his or her concern in writing and should include sufficient information to allow the Audit Committee to understand and review the written concern. If the applicable individual wishes to remain anonymous, the written communication should clearly indicate this wish for anonymity.

All concerns should be forwarded to the Chairman of the Audit Committee, at the address noted below, in a sealed envelope labelled as follows:

"To be opened by the Audit Committee only."
#220 – 800 West Pender Street
Vancouver, BC CANADA
V6C 2V6

Any such envelopes received by the Company or Other Entities will be forwarded promptly and unopened to the Chairman of the Audit Committee.

OR alternatively by email directly to the Audit Committee Chairman as follows:

If the applicable individual wishes to discuss any matter with the Committee, this request should be indicated in the submission. In order to facilitate such a discussion, the applicable individual may include a telephone number at which he or she can be contacted.

III. Handling of Concerns Raised

Promptly following the receipt of any complaints submitted to it, the Audit Committee will investigate each complaint and take appropriate corrective actions.

IV. Investigations

The Audit Committee has the authority to:

- (a) conduct any investigation which it considers appropriate, and has direct access to PricewaterhouseCoopers LLP, the external auditor of the Company, as well as officers and employees of the Company and Other Entities, as applicable; and
- (b) retain, at the Company's expense, special legal, accounting or such other advisors, consultants or experts it deems necessary in the performance of its duties.

In conducting any investigation, the Audit Committee shall use reasonable efforts to protect the anonymity of the applicable individual.

V. Retention of Records

The Audit Committee will retain as part of its records, any complaints or concerns for a period of no less than seven years. The Audit Committee will keep a written record of all such reports or inquiries and make quarterly reports on any ongoing investigation which will include steps taken to satisfactorily address each complaint.

VI. Employee Protection

All employees, consultants and contractors are assured that no retaliation of any kind is permitted against the applicable individual for complaints or concerns made in good faith. No employee, consultant or contractor will be adversely affected because the employee, consultant or contractor refuses to carry out a directive which, in fact, constitutes corporate fraud, or is a violation of federal or provincial law.

VII. Questions About the Policy

Questions regarding the policy may be directed to the Chairman of the Audit Committee.
