MANAGEMENT INFORMATION CIRCULAR

THE MEETING

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies being undertaken by the management of Lupaka Gold Corp. (the “**Company**”, or “**Lupaka**”) for use at the Annual General Meeting of the Company’s shareholders (“**Shareholders**”) to be held on Thursday, May 16, 2013 at 10:00 am (Pacific Time) (the “**Meeting**”) for the purposes set forth in the accompanying notice of meeting (“**Notice of Meeting**”) or any adjournment thereof, at the offices of Dumoulin Black LLP, located at 595 Howe Street, 10th floor, Vancouver, British Columbia V6C 2T5. The information contained in this Circular is given as of March 27, 2013, unless otherwise indicated. No person is authorized to give any information or to make any representation not contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized.

This Circular, the Notice of Meeting and accompanying form of proxy are being mailed on or about April 19, 2013. In this Circular, references to “the Company”, “Lupaka”, “we” and “our” refer to Lupaka Gold Corp. “**Common Shares**” means common shares without par value in the capital of the Company, “**Beneficial Shareholders**” means shareholders who do not hold Common Shares in their own name and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Circular mean Canadian dollars.

VOTING INFORMATION

Lupaka’s management is using this Circular to solicit proxies from the Shareholders for use at the Meeting.

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but Lupaka’s directors, officers and regular employees may also solicit proxies personally or by telephone. Lupaka will bear all costs of the solicitation. Lupaka has arranged for Intermediaries to forward the Meeting materials to beneficial owners of Common Shares held of record by those Intermediaries and Lupaka may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

COMPLETION AND VOTING OF PROXIES

Voting of Proxies

The Common Shares represented by the accompanying form of proxy, if properly executed and received at the offices of Computershare Investor Services Inc., Attention: Proxy Department, 9th Floor, 100 University Avenue Toronto, Ontario M5J 2Y1, by no later than **10:00 a.m. (Pacific Time)** on May 14, 2013 or, if the Meeting is adjourned, then not less than 48 hours (excluding Saturdays, Sundays and holidays) before any such adjourned meeting, will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made. **In the absence of such a specification, the persons designated in the accompanying form of proxy will vote in favour of all matters to be acted on at the Meeting.**

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters set forth in the accompanying Notice of Meeting, or all other business or matters that may properly come before the Meeting. At the date hereof, management of the Company knows of no such amendments, variations or other business or matters to come before the Meeting.

Registered Holders

Only Shareholders registered as shareholders in the Company's shareholder registry maintained by the Company's registrar and transfer agent ("**Registered Shareholders**") or duly appointed Proxyholders (except as discussed below under "Non-Registered Shareholders") will be recognized to make motions or vote at the Meeting.

Beneficial (Non-Registered) Shareholders

Shareholders who hold Common Shares of the Company through their brokers, intermediaries, trustees, or other nominees (such shareholders being collectively called "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the share register of the Company may be recognised and acted upon at the Meeting. If Common Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder **will not** appear on the share register of the Company. Such shares will most likely be registered in the name of the broker or an agent of the broker. The vast majority of such shares will be registered in the name of "**CDS & Co.**", the registration name of The Canadian Depository for Securities Limited, which acts as nominee for many brokerage firms. Such shares can only be voted by brokers, agents, or nominees and can only be voted by them in accordance with instructions received from Beneficial Shareholders. **As a result Beneficial Shareholders should carefully review the voting and instructions provided by their broker, agent or nominee with this proxy Circular and ensure that they direct the voting of their shares in accordance with those instructions.**

Applicable regulatory policies require brokers and intermediaries to seek voting instructions from Beneficial Shareholders in advance of the Meeting. Each broker or intermediary has its own mailing procedures and provides its own return instructions to clients. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by such shareholder's broker, agent or nominee is limited to instructing the registered holder on how to vote such shares on behalf of the Beneficial Shareholders. Most brokers in Canada now delegate responsibility to obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares voting instruction forms, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of such shares to the Company's registrar and transfer agent, Computershare Investor Services Inc. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote their shares at the Meeting. Instead the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Beneficial Shareholders should follow the instructions on the forms that they receive and contact their intermediaries promptly if they need assistance.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy are directors and officers of the Company. **Registered Shareholders have the right to appoint as their proxy some other person or company of their choice, provided that Registered Shareholders that are individuals must only appoint another Registered Shareholder as their proxy.**

A Registered Shareholder, desiring to appoint some other person or company to represent them at the Meeting, may do so either by inserting the name of such person or company in the blank space provided in the accompanying form of proxy and striking out the names of the management nominees or by duly completing another proper form of proxy and, in either case, depositing the completed proxy at the offices of the Company's registrar and transfer agent, Computershare Investor Services Inc., Attention: Proxy Department, 9th Floor, 100 University Avenue Toronto, Ontario M5J 2Y1, before the specified time described in the previous section.

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it: (a) by attending the Meeting and voting the Registered Shareholder's Common Shares, (b) by fully executing another form of proxy bearing a later date and duly depositing the same before the specified time, or (c) by executing a valid notice of revocation (where a new proxy is not also filed).

A later dated proxy or notice of revocation must be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a corporation, by an officer or attorney duly authorized, and delivered by fax to 1-866-249-7775, or by mail (via postage paid return envelope) to Computershare Investor Services Inc., attention: Proxy Department, 9th Floor, 100 University Avenue Toronto, Ontario M5J 2Y1, or to the head office of the Company located at #428 – 800 Pender Street West, Vancouver, British Columbia, Canada, V6C 2V6.

A later dated proxy may be received at any time up to and including the business day before the Meeting, or if the Meeting is adjourned, at any time up to and including the last business day before any reconvening thereof at which the proxy is to be used, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof.

Only Registered Shareholders have the right to revoke a proxy. Beneficial Shareholders who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their Intermediaries to change the vote and, if necessary, revoke their proxy.

A revocation of proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such shares will be voted at the discretion of the person named in the proxy. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who was a director or senior officer of the Company at any time since the beginning of the Company's last completed financial year, no person who is a proposed nominee for election as a director of the Company and no associate or affiliate of any such director, senior officer or proposed nominee has any material interest, direct or indirect, in any matter to be acted upon at the Meeting other than the election of directors.

Record Date and Outstanding Shares

The Record Date for determining persons entitled to receive notice of and vote at the Meeting is April 5, 2013. Only persons who were Registered Shareholders as of the close of business on April 5, 2013 are entitled to vote at the Meeting, or any adjournment or postponement thereof, in the manner and subject to the procedures described in this Circular. A quorum for the Meeting shall be two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company's authorized capital consists of an unlimited number of Common Shares without par value and an unlimited number of preferred shares (the "**Preferred Shares**") without par value. As at March 27, 2013, the Company has a total of 84,972,896 issued and outstanding Common Shares, each share carrying the right to one vote. The Company has no Preferred Shares issued and outstanding as at the date hereof. The outstanding Common Shares are listed for trading on both the Toronto Stock Exchange (the "**TSX**") and on the Venture Exchange Section of the Lima Stock Exchange (*Segmento Junior de la Bolsa de Valores de Lima*) under the symbol "LPK".

To the knowledge of the directors and executive officers of the Company, the only persons who, or corporations which, beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company are:

Name	Number of Common Shares Beneficially Owned, Controlled or Directed	Percentage of Outstanding Common Shares
Gordon L. Ellis	12,001,159 ⁽¹⁾	14.1%

Note:

- (1) This amount includes 91,500 Common Shares held directly by Mr. Gordon Ellis; 100,000 held by Loadxi Minerals Limited ("**Loadxi Minerals**"), a company wholly-owned by Mr. Ellis; 2,293,164 Common Shares held by Gordann Consultants Inc. ELECTION OF DIRECTORS

The board of directors of the Company (the "**Board**") is a variable board consisting of the greater of three and the most recent number of directors set by ordinary resolution. The Board presently consists of eight directors. The term of office of each of the current directors will end immediately before the election of directors at the Meeting. Management does not contemplate that any of the nominees will be unable to serve as a director. Unless the director's office is earlier vacated in accordance with the *Business Corporations Act* (British Columbia) and the Articles of the Company, each director elected will hold office until the next Annual General Meeting or until his successor is appointed.

At the Meeting, the Company will ask Shareholders to vote for the election of each of the eight nominees proposed by the Company as directors. Each holder of Common Shares will be entitled to cast their votes for, or withhold their votes from, the election of each director. The management proxyholders named in the accompanying form of proxy as proxyholders intend to vote for the election of each nominee whose names are set forth in this Circular, unless instructed otherwise.

Majority Voting for the Election of Directors

The Board is committed to the principle that thorough review and consideration should be undertaken if a nominee for director in an uncontested election of directors does not receive the affirmative vote of at least the majority of the votes cast at any meeting held for the elections of directors at which a quorum has been confirmed. To that end, the Board has adopted a majority voting policy. See Majority Voting Policy for the Election of Directors in this circular and the contents of the policy – Majority Voting Policy attached as Schedule "B" to this circular.

Nominees

The following table sets forth for each of the persons proposed to be nominated for election as directors their name, city, province/state and country of residence; their principal occupations within the five preceding years; a brief biographical description; the period during which they have served as directors of the Company; their memberships with the applicable committees of the Company; and the number of securities of each class of voting securities of the Company or any of its subsidiaries, if any, beneficially owned, or controlled or directed, directly or indirectly. The three committees of the Board are: (i) Audit Committee (**AC**), (ii) Compensation Committee (**CC**) and (iii) Governance & Nominating Committee (**GNC**). Compensation Discussion and Analysis

Compensation Philosophy

The Company's compensation program is designed to be competitive with other companies in the same industry, similar stage of development or size of operations, with a comparable range in market capital, and which are likely to compete with the Company for executive talent. The Company's compensation program also reflects the financial resources of the Company.

The Company will be competitive in its total compensation package when compared to a benchmark group of similar companies (the "**Benchmark Companies**"). The Company has also adopted a policy to pay lower base salaries and higher incentive pay (cash bonuses and option awards), when compared to the Benchmark Companies.

The Compensation Committee

On August 16, 2012, the Company's Compensation Committee formalized its compensation policies and practices as set out in the Compensation Philosophy and Guidelines which was approved by the Board on September 21, 2012. The Compensation Committee of the Board is responsible for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy and guidelines as well as staying within the Compensation Charter.

The Company has a Compensation Committee composed of independent members of the Board. Through their respective experience in public and private organizations each member is able to understand and interpret agreements and is capable of implementing and reviewing compensation practices and policies. The Compensation Committee makes compensation recommendations to the Board as to each executive's ("**Executive Management**") compensation. The Compensation Committee shall make recommendations regarding equity awards to all of the Company's employees, Executive Management and directors.

The Compensation Committee can also request management to establish Benchmark Companies, to gather, analyze and present publicly-available compensation data and information to help guide the formulation and analysis of compensation paid to Executive Management. The Benchmark Companies are determined by screening and selecting publicly-traded

companies in the same industry, similar stage of development or size of operations, comparable range in market capital and are likely to compete with the Company for executive talent.

The Company's current Benchmark Companies are as follows: African Gold Group Inc., Aldridge Minerals Inc., Andina Minerals Inc., Aureus Mining Inc., Azumah Resources Limited, Brazilian Gold Corp., Castillian Resources Corp., Cerro Resources NL, Colt Resources Inc., Dalradian Resources Inc., Dynasty Metals & Mining Inc., Eco Oro Minerals Corp., Esperanza Resources Corp., Geologix Explorations Inc., Goldgroup Mining Inc., Goldrock Mines, Kimber Resources Inc., Magellan Minerals Ltd., Mediterranean Resources Ltd., Midway Gold, Minera IRL, Orezone Gold Corp., Oromin Explorations Ltd., PMI Gold Corporation, Probe Mines Ltd., Rio Novo Gold Inc., Riverstone Resources Inc., Robex Resources Inc., Sandspring Resources Ltd., Seafield Resources Ltd., Solitario Exploration and Royalty Corp., Spanish Mountain Gold Ltd., Sunridge Gold Corp., Sutter Gold Mining Inc., Temex Resources Corp., Treasury Metals Inc., Victoria Gold Corp., and Volta Resources Inc.

Compensation Components

The Company's executive compensation is derived from a mix of a base salary, short term incentive compensation (cash bonuses), long-term incentive compensation (stock options and other non-cash awards) and company provided benefits/perquisites. Each year the Compensation Committee shall review the aggregate amounts and cumulative mix of all of the components of the compensation of Executive Management to ensure that the Company remains competitive and follows its Compensation Philosophy and Guidelines.

It is critical that the Company's compensation programs are effective in attracting, motivating and retaining highly talented individuals who are able to assist the Company in implementing its strategies and achieving its goals. As part of the process, on an annual basis the Compensation Committee receives from management updates on long-term strategies and goals for the Company that are designed to increase shareholder value and protect and grow the Company. In addition the Committee receives from management a range of short-term milestones that it believes must be achieved in order to implement and fulfill the Company's overall business strategy and ultimately improve shareholder value as well as milestones for each executive of the Executive Management for the achievement of the short and long term Company strategies.

Base Salaries

Base salary compensates Executive Management for services rendered during the fiscal year. Each Executive's base salary is recognized to be only one component of the overall compensation, and other forms of compensation are awarded to ensure the Executive Management's total compensation is in line with industry standards and the Company's overall compensation philosophy. The Company will be competitive and near the mid-point in its total compensation package when compared to a benchmark group of similar companies. The Company has also adopted a policy to pay lower base salaries and higher incentive pay (cash bonuses and option awards or other non-cash awards), when compared to the Benchmark Companies.

Base salaries for each member of Executive Management are established on their experience, performance, knowledge and the scope of their responsibilities, taking into account competitive market compensation paid by other companies in Lupaka's industry for similar positions and the overall market demand for such executives.

Adjustments are considered annually based upon merit as well as consideration of changes reflected in the comparable benchmark group of companies. Additionally, the Company adjusts base salaries as warranted for promotions or changes in the scope and breadth of each Executive's role or responsibility. Salary adjustments are considered in the first calendar quarter of each year following approval of the corporate annual budget, operating plan and business objectives.

Each year it is the responsibility of the Chief Executive Officer to propose to the Compensation Committee the salaries for other members of Executive Management for the next fiscal year. The Compensation Committee considers and recommends to the Board total compensation of all members of Executive Management.

Short Term Incentive Plan ("STIP", Annual Cash Bonus)

The STIP rewards excellent individual performance and the achievement of certain short-term Company objectives with cash bonuses.

The Compensation Committee reviews with the CEO the success of each member of Executive Management in meeting their objectives, as well as that individual's contribution towards achieving the Company's strategies and goals. Cash bonuses paid to the CEO are developed and recommended by the Compensation Committee for approval by the Board. Cash bonuses paid to other members of Executive Management are recommended by the CEO and are reviewed by the Compensation Committee before being considered by the Board. The amount of annual cash bonus awarded is dependent on the level of achievement of the individual and the Company's performance, and takes into consideration any extraordinary performance during the preceding fiscal year.

Long Term Incentive Plan ("LTIP", Stock Options and Other Non-Cash Awards)

Stock options and other non-cash awards are granted as long-term incentive compensation for continuity and retention of Executive Management. The LTIP allows Executive Management to participate in any appreciation of the market value of the Common Shares over a longer period of time, and reinforce a commitment to long term growth and shareholder value. Goals of Management should be aligned with the best interests of the Company. Individual stock options awards are developed by management and reviewed by the Compensation Committee which accepts or adjusts prior to recommending approval by the Board. The size of the option grants are dependent on, among other things, the individual's position, level of responsibility and contribution to the longer-term operating performance of the Company.

Annual incentive stock option grants and prices are recommended to the Board by the Compensation Committee in the fourth quarter of each calendar year, as prescribed by the 2010 Option Plan.

Perquisites

Executive Management may be eligible for other benefits and perquisites provided by the Company including the Company's employee health benefits program, health club membership, and others. There is currently no pension plan or disability benefits in place for directors or Executive Management.

Compensation Determinations

The Compensation Committee reviewed the results achieved by the Company and discussed them with management. The Compensation Committee determines an overall assessment for actual corporate performance relative to an expected level of performance. This overall corporate performance assessment as well as a review of the benchmark group of similar companies, keeping in mind the Company's compensation philosophy to pay lower base salaries and higher incentive pay (cash bonuses and option awards). The Compensation Committee made their compensation recommendations to the Board, which the Board approved on March 27, 2012.

The Compensation Committee reviews the Company's compensation program each year for safeguards designed to mitigate compensation risks. The Compensation Committee determined at a meeting held on March 21, 2013 that the risks associated with the remuneration of executives were determined to be:

- (a) attract and retain qualified people;
- (b) overcompensation;
- (c) inappropriate or excessive risk-taking.

The Company has not adopted a formal policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by directors or officers. The Company has, however, included in the Company's Insider Trading Policy that Lupaka considers it improper and inappropriate for any employee to engage in short-term or speculative transactions in Lupaka's securities. Moreover, employees are prohibited from engaging in short sales and other speculative transactions involving Lupaka's securities, whether directly or indirectly, except in cases where shares are sold short in connection with a concurrent exercise of stock options. The Company is not aware of any directors or officers having entered into this type of transaction.

Pension Plan Benefits

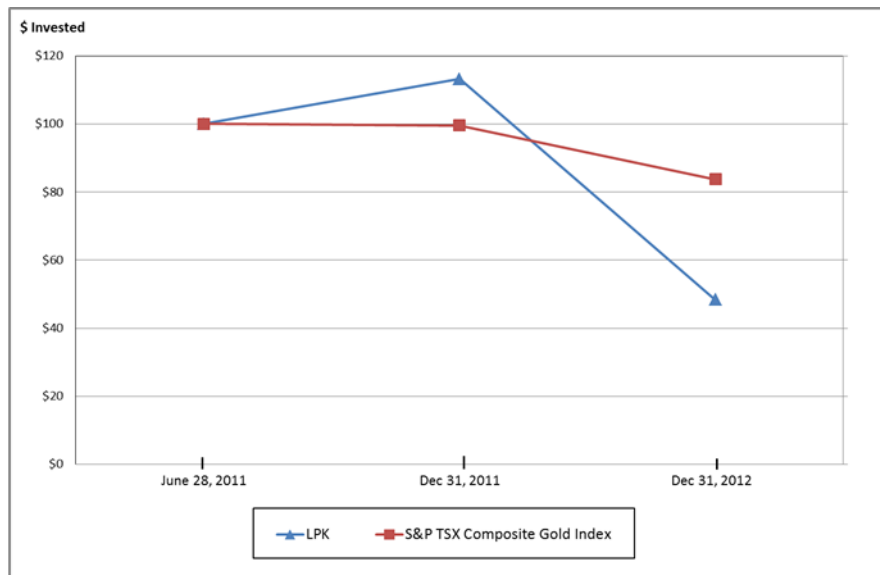

The Company does not have a pension plan that provides for payments or benefits to the directors or officers of the Company at, following, or in connection with retirement.

Other Compensation

Executive Management receive other benefits that the Company believes are reasonable and consistent with its overall executive compensation program. These benefits, which are based on competitive market practices, support the attraction and retention of executive officers. Benefits consist of medical, life insurance, extended health and dental coverage, the level of which is consistent with industry practice and generally available to all employees.

Performance Graph

The Company completed its initial public offering on June 28, 2011. A comparative performance graph between the Common Shares and the S&P/TSX Composite Index compares the change in cumulative total shareholder return for \$100 invested in the Common Shares against the change in cumulative total shareholder return of the S&P/TSX Composite Index Gold (Sub Industry) (including dividends reinvested) for the two fiscal year periods beginning June 28, 2011 and ending December 31, 2012, is provided below.

The Company operates in a commodity business and the Common Share price is directly impacted by conditions, such as the the market prices of gold and copper, which fluctuate widely and are affected by numerous factors that are difficult to predict and beyond the Company's control. The Compensation Committee evaluates financial performance by reference to the Company's operating performance rather than short-term changes in Common Share price, based on its view that the Company's long-term operating performance will be reflected by stock price performance over the long-term, which is especially important when the current stock price may be temporarily depressed by short-term factors, such as economic downturns.

The Company entered into a consulting services agreement dated July 1, 2010 with Gordann Consultants for Gordon Ellis to perform services as a senior officer of the Company and has been renewed for a third term to expire on January 31, 2014, unless earlier terminated as provided in the agreement. Pursuant to the terms of this agreement, Gordann Consultants agreed that Mr. Ellis would provide services as the Executive Chairman of the Board of Directors. Mr. Ellis' contract has since be renewed on the same terms and conditions, except for an amendment to the bonus for services which provides that the Board shall set and determine each year now bonuses are achieved. It will be based primarily upon the target criteria for Executive Management as set at the beginning of the fiscal year.

Stock Option Granting Process

Grants of stock options are made pursuant to the Company's 2010 Option Plan. The Compensation Committee is responsible for reviewing and recommending to the Board all individual stock option grants, which are typically made upon the commencement of employment by a new Optionee and annually thereafter. The 2010 Option Plan authorizes the Board to grant stock options to the Optionees on the following terms:

1. The maximum number of Common Shares of the Company which may be issued pursuant to stock options granted under the 2010 Option Plan, unless otherwise approved by Shareholders, is 10% of the issued and outstanding Common Shares at the time of the grant. Any increase in the issued and outstanding Common Shares will result in an increase in the available number of Common Shares issuable under the 2010 Option Plan, and any exercises of stock options will make new grants available under the 2010 Option Plan.
2. The aggregate number of issued and outstanding Common Shares reserved for issuance pursuant to all options granted to any one Optionee shall not exceed 5% of the number of issued and outstanding Common Shares outstanding on a non-diluted basis at the time of such grant. In addition, the issuance to any one insider and such insider's associates, within a one-year period, of issued and outstanding Common Shares on the exercise of options may not exceed 5% of the issued and outstanding Common Shares, and the number of issued and outstanding Common Shares which may be reserved for issuance under the 2010 Option Plan and under any other security based compensation arrangements of the Company to all insiders and insiders' associates shall not exceed 10% of the issued and outstanding Common Shares. Notwithstanding any other provision of the 2010 Option Plan, the number of issued and outstanding Common Shares which may be issued within any one-year period pursuant to the 2010 Option Plan and all other security based compensation arrangements of the Company to insiders of the Company, or such insiders' affiliates shall not exceed 10% of the issued and outstanding Common Shares.
3. The Board shall fix the option price per Common Share which shall not be less than the closing market price of the Common Shares on the TSX one trading day prior to the effective date on which the option is granted by the Board and if there is no sale on such trading day, then the last closing market price on the TSX prior to the effective date on which the option is granted.
4. The options may not be exercisable for less than one year and may not be exercisable for more than ten years from the date of grant, subject to the other terms of the 2010 Option Plan.

5. The Board shall determine, at the time of granting an option to an Optionee pursuant to the Plan, the maximum number of Common Shares that may be exercised by such Optionee in each year during the term of the option. Notwithstanding the foregoing, any unvested options shall vest immediately on the date that is one business day prior to the date on which the Sale provided for in such agreement is completed, or, in the case of a Take-over Bid (as defined in the *Securities Act* (British Columbia)) having been made, one business day prior to the date on which the Common Shares shall have been taken up by the offeror, or in either case on such other date as may be set by resolution of the Board. "Sale" means the sale of all or substantially all of the assets of the Company as an entirety or substantially as an entirety to any person or entity (other than a wholly-owned subsidiary of the Company) under circumstances such that, following the completion of such sale, the Company will cease to carry on an active business, either directly or indirectly through one or more subsidiaries.
6. Except where not permitted by the TSX, where an option expires during a Black-Out Period or during the ten business days following the end of the Black-Out Period, the term of such option shall be extended to the date that is the tenth business day following the end of such Black-Out Period. "**Black-Out Period**" means the period during which designated employees of the Company cannot trade the Common Shares pursuant to the Company's policy respecting restrictions on employee trading which is in effect at that time (which, for greater certainty, does not include the period during which a cease trade order is in effect to which the Company or in respect of an insider, that insider, is subject).
7. In the event of the death of an Optionee while in the employment, or as a director or officer, of the Company or a subsidiary of the Company prior to 5:00 p.m. (Vancouver time) on the expiry date of the option (the "**Expiry Date**"), the option may be exercised by the legal representatives of such Optionee at any time up to and including, but not after, 5:00 p.m. (Vancouver time) on the date which is the first anniversary of the date of death of such Optionee or the Expiry Date, whichever is the earlier, after which the option shall in all respects cease and terminate and be of no further force or effect whatsoever.
8. In the event of: (i) the removal of an Optionee as a director of the Company or a subsidiary of the Company other than in the event of death of the Optionee, such that the Optionee is no longer an Eligible Participant; or (ii) the discharge of an Optionee as an officer or employee of the Company or a subsidiary of the Company for Cause (as such term is defined in the 2010 Option Plan), in each such case all options granted to such Optionee under the 2010 Option Plan shall in all respects forthwith cease and terminate and be of no further force or effect whatsoever, upon notice of such removal or discharge being given by the Company or subsidiary of the Company to such Optionee. "**Eligible Participants**" means such directors, officers, employees and consultants of the Company or its subsidiaries as the Board shall from time to time determine in its sole discretion.
9. In the event of termination of employment of an Optionee by the Company or a subsidiary of the Company other than in the circumstances referred in paragraphs (7) and (8), above, such that the Optionee is no longer an Eligible Participant, such Optionee may exercise each vested option then held by such Optionee under the 2010 Option Plan to the extent that such Optionee was entitled to do so at the time of such termination of employment, at any time up to and including, but not after, 5:00 p.m. (Vancouver time) on the 90th day (or such later day as the Board in its sole discretion may determine) following the effective date of termination of employment, or the Expiry Date, whichever is earlier, after which the option shall in all respects cease and terminate and be of no further force or effect whatsoever.
10. Each option granted under the 2010 Option Plan is non-assignable by the Optionee.

There were 6,162,700 options issued and outstanding under the 2010 Option Plan representing 7.2% of the Company's issued and outstanding share capital, as at March 27, 2013.

Based upon the Company's issued and outstanding Common Shares and the number of outstanding stock options as at March 27, 2013, the Company can issue stock options exercisable to purchase an additional 2,334,590 Common Shares under the 2010 Option Plan, representing 2.7% of the Company's issued and outstanding share capital as at March 27, 2013. Additional options may be granted as additional Common Shares are issued by the Company.

Under the 2010 Option Plan, the CEO makes recommendations to the Compensation Committee regarding individual stock option awards for all recipients including grants that are awarded outside the annual compensation deliberation process for such things as promotions or new hires. The Compensation Committee typically reviews the appropriateness of the stock option grant recommended by the CEO and accepts or adjusts such grants when making a recommendation to the Board. The CEO does not engage in discussions with the Compensation Committee regarding his own stock option grants.

Plan Amendments

The Board may amend, vary or discontinue the 2010 Option Plan, provided that any such amendment, variance or discontinuance will not become effective unless and until approved by the Shareholders as required by applicable regulatory authorities. The Board shall have the power and authority to approve amendments relating to the 2010 Option Plan without further approval of the Shareholders, to the extent that such amendments relate to, among other things:

- (a) the provisions of a "housekeeping" or "clerical" nature;
- (b) the vesting provisions of the 2010 Option Plan or any option under the 2010 Option Plan;

- (e) the addition or modification of any cashless exercise feature, payable in cash or Common Shares;

- (g) any addition to or deletion or alteration of the provisions of the 2010 Option Plan that are reasonably necessary to allow participants to receive fair and favourable tax treatment under relevant tax legislation;
- (h) the mechanics of exercise of the options, such as changing the form to be used to give notice of exercise and the person to whom the notice of exercise is to be directed; and
- (i) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable laws.

Pursuant to the policies of the TSX, Shareholder approval is required for: (i) a reduction in the exercise price or an extension of the term of any option issued under the 2010 Option Plan benefiting an insider of the Company; (ii) any amendment to remove or to exceed the insider participation limit under the 2010 Option Plan; (iii) an increase to the maximum number of options issuable, either as a fixed number or a fixed percentage of the Company's outstanding Common Shares; and (iv) any amendments to the amending provisions of the 2010 Option Plan.

Each such position entails the fundamental requirement to chair meetings of the committee, including the determination and control of the agenda for business considered, facilitation of discussion among members, consideration and voting on resolutions, and similar matters. Additional matters related to the role and responsibilities of each such position are determined from the written mandate for each committee and through internal discussions among the members of the Board and each such committee. MAJORITY VOTING POLICY FOR ELECTION OF DIRECTORS

The Board believes that each director should have the confidence and support of the shareholders of the Company. To this end, the Board has unanimously adopted a Majority Voting Policy and future nominees for election to the Board will be required to confirm that they will abide by this Majority Voting Policy. See the contents of the policy – Majority Voting Policy attached to this Circular as Schedule “B”.

RATIFICATION AND APPROVAL OF ADVANCE NOTICE POLICY

On March 27, 2013, the Board adopted an advance notice policy (the “**Advance Notice Policy**”) for the purpose of providing shareholders, directors and management of the Company with a clear framework for nominating directors of the Company in connection with any annual or special meeting of shareholders.

The purpose of the Advance Notice Policy is to (i) ensure that all shareholders receive adequate notice of director nominations and sufficient time and information with respect to all nominees to make appropriate deliberations and register an informed vote; and (ii) facilitate an orderly and efficient process for annual or, where the need arises, special meetings of shareholders of the Company. The Advance Notice Policy fixes the deadlines by which shareholders of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in a written notice to the Company for any director nominee to be eligible for election at such annual or special meeting of shareholders.

A copy of the Company’s Advance Notice Policy is attached to this Circular as Schedule “C”. In order to remain effective following the Meeting, the Advance Notice Policy must be ratified, confirmed and approved by the shareholders of the Company at the Meeting.

The following is a brief summary of certain provisions of the Advance Notice Policy and is qualified in its entirety by the full text of the Advance Notice Policy.

1. Other than pursuant to (i) a proposal made in accordance with the *Business Corporations Act* (British Columbia) (the “**Act**”), or (ii) a requisition of the shareholders made in accordance with the provisions of the Act, shareholders of the Company must give advance written notice to the Company of any nominees for election to the Board.
2. The Advance Notice Policy fixes a deadline by which shareholders of the Company must submit, in writing, nominations for directors to the Corporate Secretary of the Company prior to any annual or special meeting of shareholders, and sets forth the specific information that such shareholders must include with their nominations in order to be effective. Only persons who are nominated in accordance with the Advance Notice Policy are eligible for election as directors of the Company.
3. For an annual meeting of shareholders, notice to the Company must be not less than 30 days and not more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date less than 50 days after the date on which the first public announcement of the date of such annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement.
4. For a special meeting of shareholders (that is not also an annual meeting), notice to the Company must be given not later than the close of business on the 15th day following the day on which the first public announcement of the date of such special meeting was made.
5. The time periods for giving notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of notice as described above.

For the purposes of the Advance Notice Policy, “public announcement” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR at www.sedar.com.

The Board may, in its sole discretion, waive any provision or requirement of the Advance Notice Policy.

If approved at the Meeting, the Advance Notice Policy will continue to be effective in accordance with its terms. The Advance Notice Policy will be subject to annual review by the Board, and will be updated from time to time to reflect changes required by securities regulatory agencies or stock exchange, or to conform to industry standards, as determined by the Board. If not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force and effect from and after the termination of the Meeting.

Accordingly, at the Meeting, shareholders will be asked to approve the following ordinary resolution approving the Advance Notice Policy in the following form:

“UPON MOTION IT WAS RESOLVED that:

1. the Company's Advance Notice Policy (the “Advance Notice Policy”) as set forth in the Company's Information Circular dated March 27, 2013 be and is hereby ratified, confirmed, authorized and approved;
2. the board of directors of the Company be and is hereby authorized, in its sole discretion, to administer the Advance Notice Policy and amend or modify the same from time to time in accordance with the provisions thereof, without further shareholder approval, to reflect the changes required by securities regulatory agencies or stock exchanges, to conform to industry standards, or as otherwise determined to be in the best interests of the Company and its shareholders; and
3. any one director or officer of the Company is hereby authorized and directed to carry out any act for and on behalf of the Company and to execute and deliver such deeds, documents and other instruments in writing as he or she in his or her discretion may consider necessary for the purpose of giving effect to these resolutions and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the intent of these resolutions.”

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote for the approval of the Advance Notice Policy.

MAJORITY VOTING POLICY

The board of directors of the Company (the "**Board**") believes that each director should have the confidence and support of the shareholders of the Company. To this end, the Board has unanimously adopted this Majority Voting Policy and future nominees for election to the Board will be required to confirm that they will abide by this Majority Voting Policy.

In an uncontested election of directors of the Company:

- (a) nominees shall be listed individually and shareholders shall be allowed to vote for each director individually; and
- (b) any nominee in respect of whom a greater number of votes "withheld" than votes "for" are validly cast will promptly submit his or her offer of resignation for the consideration of the Company's Corporate Governance Committee.

Promptly following receipt of an offer of resignation arising from the foregoing circumstances, the Corporate Governance Committee will meet to review the matter and make a recommendation to the Board after reviewing the matter. In considering the resignation offer, the Corporate Governance Committee and the Board will consider all factors they deem relevant, including, but not limited to, any stated reasons why shareholders "withheld" votes from the election of the director, the length of service and the qualifications of the director, the director's contributions to the Company and the Board, and the effect any such resignation may have on the Company's ability to comply with any applicable laws or governance rules or policies. PURPOSE

1. The purpose of this Advance Notice Policy (the "**Policy**") is to provide shareholders, directors and management of the Company with a clear framework for nominating directors of the Company. This Policy fixes a deadline by which director nominations must be submitted to the Company prior to any annual or special meeting of shareholders and sets forth the information that must be included in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.
2. It is the position of the board of directors of the Company (the "**Board**") that this Policy is in the best interests of the Company, its shareholders and other stakeholders. This Policy will be subject to an annual review by the Board, which shall revise the Policy if required to reflect changes by securities regulatory authorities or stock exchanges, and to address changes in industry standards from time to time as determined by the Board.

NOMINATIONS OF DIRECTORS

1. Only persons who are qualified to act as directors under the *Business Corporations Act* (British Columbia) (the "**Act**") and who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. In cases where a Nominating Shareholder is not an individual, the notice set forth in paragraph 4 below must be signed by an authorized representative, being a duly authorized director, officer, manager, trustee or partner of such entity who provides such evidence of such authorization that is satisfactory to the Company, acting reasonably; and
 - (ii) in either case, complies with the notice procedures set forth below in this Policy.
2. In addition to any other requirements under applicable laws, for a nomination to be validly made by a Nominating Shareholder in accordance with this Policy, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Corporate Secretary of the Company at the principal executive offices of the Company.
3. To be timely, a Nominating Shareholder's notice to the Corporate Secretary of the Company must be made:

- a. in the case of an annual meeting of shareholders, not less than thirty (30) days nor more than sixty-five (65) days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than fifty (50) days after the date (the "**Notice Date**") on which the first public announcement (as defined below) of the date of the annual meeting was made, notice by the Nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date; and
- b. in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder's notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of a Nominating Shareholder's notice as described above.

4. To be in proper written form, a Nominating Shareholder's notice must be addressed to the Corporate Secretary of the Company, and must set forth:
 - a. as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (i) the name, age, business address and residential address of the person; (ii) the present principal occupation or employment of the person and the principal occupation or employment within the five years preceding the notice; (iii) the citizenship of such person; (iv) the class or series and number of shares in the capital of the Company which are, directly or indirectly, controlled or directed or which are owned, beneficially or of record, by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; and (v) a statement as to whether such person would be "independent" of the Company (within the meaning of sections 1.4 and 1.5 of National Instrument 52-110, *Audit Committees*, of the Canadian Securities Administrators, as such provisions may be amended from time to time) if elected as a director at such meeting and the reasons and basis for such determination;
 - b. the full particulars regarding any oral or written proxy, contract, agreement, arrangement, understanding or relationship pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Company; and
 - c. any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws.

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company or that would reasonably be expected to be material to a reasonable shareholder's understanding of the experience, independence and/or qualifications, or lack thereof, of such proposed nominee. As soon as practicable following receipt of a Nominating Shareholder's notice (and such other information referred to above, as applicable) that complies with this Policy, the Company shall publish the details of such notice through a public announcement.

5. No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which such shareholder would have been entitled to submit a proposal pursuant to the provisions of the Act or at the discretion of the Chairman. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the provisions of this Policy and, if the Chairman determines that any proposed nomination was not made in compliance with this Policy, to declare that such defective nomination shall be disregarded.
6. For purposes of this Policy:
 - a. "**public announcement**" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com; and

7. Notwithstanding any other provision of this Policy, notice given to the Corporate Secretary of the Company pursuant to this Policy may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the Corporate Secretary of the Company for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery to the Corporate Secretary at the address of the principal executive offices of the Company, sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) or received by email (at the address as aforesaid); provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Pacific Time) on a business day, then such delivery or electronic communication shall be deemed to have been made on the next business day.
8. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any provision or requirement of this Policy.
